

ASEAN Single Window - U.S. Automated Commercial Environment Connectivity

The Policy Continuum 1/2

Problem Statement

- Foreign trade is a very document intensive process
- There is no existing systematic way to electronically exchange trade documents between ASEAN and the United States

Objectives

Facilitate trade between ASEAN and the United States

Simplify the processing and filing of trade documents for time and cost savings

ASEAN-U.S. Solution

Develop necessary legal and technical structures and systems to permit the electronic exchange between countries of documents like certificates of origin and food and plant safety certificates

IGNITE Support

2018 - 2019

ASEAN-USAID IGNITE has worked with the U.S. Customs and Border Protection to develop a comprehensive approach

ASEAN-USAID IGNITE has been working with ASEAN to ensure that opening ASEAN Single Window to outside parties is on its agenda

Future

ASEAN-USAID IGNITE will continue to support all parties in developing the necessary legal and technical agreements and tools to enable electronic exchange of documents
