

# U.S.-ASEAN INTERNSHIP PROGRAM

Over 4000 U.S. companies operate across Southeast Asia and employ millions of people. U.S.-ASEAN Connect and the US-ASEAN Business Council (US-ABC) are organizing the U.S.-ASEAN Internship Program to highlight internship opportunities at U.S. companies across the region. U.S.-ASEAN Connect and US-ABC websites are compiling lists of internship opportunities, and are working with U.S. companies to develop more opportunities.

An internship with a leading U.S. company is a great way to learn more about international business, gain valuable work experience, develop your English language skills, and perhaps find a full-time job after graduation.

If you would like to learn more and see what internships are available in your country, please visit our websites: [usaseanconnect.gov](http://usaseanconnect.gov) and [usasean.org](http://usasean.org) and click on the internship links.
