A. PROJECT DESCRIPTION

A.1. Background

The U.S. Department of State Bureau of East Asian and Pacific Affairs (EAP), Office of Multilateral Affairs (MLA), announces an open competition for organizations to submit applications to support women's economic empowerment in the Mekong through providing financial literacy training and support to women seeking microinsurance to support micro, small, and medium enterprises (MSMEs). This project should increase the access of women entrepreneurs and business owners to financing, market opportunities, and training to help establish and grow their businesses while providing health insurance protections to women-owned MSMEs. This project supports the Mekong-U.S. Partnership's goals of increasing economic connectivity and growth by supporting MSMEs, and human resource development by including support for human capital development and women's empowerment in the Mekong. It is expected that this project will benefit two or more Mekong countries.

Low-income women are disproportionately affected by economic upheavals. Micro-insurance availability is especially critical to women's economic resilience and recovery in the context of the current global health pandemic. In light of COVID-19, it becomes increasingly vital that women are afforded the opportunity to seek and treat medical conditions without the fear of increased economic hardship for women entrepreneurs and their families. Not only is it important to seek medical treatment during the global pandemic, but a habit of seeking medical care for maladies best serves women's health and wellbeing in the long term. As such, project proposals should include provisions for women's economic and health benefits.

A2. Program Goals

This project will facilitate female-owned MSMEs access to micro-insurance products to help prioritize business and health needs for the entrepreneur and her family.

Objective 1: Increase the access of women entrepreneurs and business owners to finance and market opportunities while also providing health benefits; and

Objective 2: Increase the financial literacy of women entrepreneurs and business owners.

A3. Expected Results

Specific results could include the following:

- Women entrepreneurs will gain increased access to finance opportunities and sound financial teaching; and
- Women entrepreneurs will gain increased access to medical care;
- Unbanked and underbanked women in the Mekong enroll in financial banking products and services;

- Women entrepreneurs and business owners learn “core skills,” including communication, leadership, self-confidence, and other abilities needed for success.

A4. Main Activities

To achieve the goals and expected results, the program could include the following:

- Provide a product and training that are gender-responsive in design and execution; (EAP defines gender responsive as to outcomes that reflect an understanding of gender roles and inequalities and which make an effort to encourage equal participation and equal and fair distribution of benefits. Gender responsiveness is accomplished through gender analysis and gender inclusiveness).
- Provide a local support network and education for the products and services, including those offered through other U.S. government and likeminded partner programs, available to each female MSME;
- Provide a premier health care package as a bundled option to financial products;
- Support grassroots entrepreneurship to build competitive markets in the Mekong;
- Incorporate “core skills” training to include communication, leadership, self-confidence building and other abilities needed for success;
- In addition, per the Women, Peace, and Security Act of 2017, it is a U.S. government-wide priority to expand and apply gender analysis, as appropriate, to improve the design and implementation of U.S. government-funded programs. A gender analysis helps consider the different ways in which programs might impact and be impacted by the community, country, and region where activities take place. EAP encourages organizations to tailor these questions to ensure perspectives based on religion, disability, race, ethnicity, and/or sexual orientation and gender identity are meaningfully considered and included in the program design, budget, and monitoring, evaluation, and learning plan.

A5. Performance Indicators

The project should monitor and report on performance indicators that are specific, measurable, achievable, reasonable, and time-bound. Establish, where possible, performance baseline data and expected performance targets for each expected result, and include details on what sources of data will be used to document performance, how the indicators will be measured, frequency of measurement, and units of measure. Where possible, indicators should also allow for sex disaggregation. Indicators should reflect key project outputs or outcomes that reflect on the primary goals or objectives of the project and that the implementer can collect with high quality data.

Applicants must fill out the table below and insert it into the proposal document. Additional non-Department of State (DOS) indicators may be added that are relevant to the project by adding rows to the chart.

All applicable indicators should be included in the proposal and subsequent to the award, routine, periodic reporting of all indicators will be required. The implementer will be responsible for quarterly progress reporting on each performance indicator included in the award agreement as well as analysis of progress or impediments to reach indicator targets.

The following are required indicators. Applicants are welcome to propose other indicators relevant to the primary objectives and expected results of the project.

In the event the recipient does not meet the minimum amount of cost-sharing as stipulated in the recipient's budget, EAP's contribution may be reduced in proportion to the recipient's contribution.

C.3 Other Eligibility Requirements

In order to be eligible to receive an award, all organizations must have a unique entity identifier (Data Universal Numbering System/DUNS number from Dun & Bradstreet), as well as a valid registration on www.SAM.gov. Please see Section D.3 for information on how to obtain these registrations.

Any applicant listed on the Excluded Parties List System in the System for Award Management (SAM)(www.sam.gov) is not eligible to apply for an assistance award in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR,1986 Comp., p. 189) and 12689 (3 CFR,1989 Comp., p. 235), "Debarment and Suspension." The SF-LLL is required for applicants that may engage in lobbying activities.*
2. **Summary Page:** Cover sheet stating the applicant name and organization, proposal date, program title, program period proposed start and end date, and brief purpose of the program.
3. **Table of Contents** that includes a page numbered contents page and any attachments.
4. **Proposal Narrative** (not to exceed 15 pages), should be organized using the following section headings: Executive Summary, Organizational Capacity and Past Performance, Program Strategy, Gender and Inclusion Analysis, Performance Monitoring and Evaluation, and Management Plan. (The 10-page limit does not include the Summary Page, Table of Contents, Budget, Budget Narrative, Letter of Disclosure, Letter of Institutional Support, NICRA, Audit, CVs, or SF-424s).
5. **Summary and Detailed Line-Item Budget** (in Microsoft Excel) that includes three [3] columns including the request to EAP, any cost sharing contribution, and total budget (see below for more information on budget format). **The federal share requested should not exceed the amount of funds available under section B.** A summary budget should also be included using the OMB approved budget categories (see SF-424A for

If your proposal involves subawards to organizations charging indirect costs, please submit the applicable NICRA. Per 2 CFR200.414(f), organizations that have never had a NICRA may request a de minimis indirect rate of up to 10% of the Modified Total Direct Costs (MTDC) as defined in 2 CFR 200.68. *MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000.* The budget narrative should indicate what costs will be covered using the 10% de minimis rate.
8. **Letter of Disclosure** for proposed consultants/personnel (if applicable) of potential conflicts of interest, employment with a local/state/federal government.
9. A PDF file copy of your organization's most recent **single audit** is required, if your organization meets the threshold as defined in 2 CFR 200 Subpart F.

Narrative Components

As stated above, the proposal may be a maximum of 10 pages. The proposal must include the following information:

a. Executive Summary

This section should be a succinct one-page summary containing information that the applicant believes best represents its proposed program and includes: the name and contact information for the project's main point of contact; the project's purpose; targeted countries; program length (dates/duration); total funding requested (indicate any sub-grants proposed); project's goals, primary objectives and expected results (highlighting any aspects of innovation, sustainability and impact of the project); involvement or use of any NGO's or civil society organizations; and

expected results and sustainability; and a one-paragraph program description. Countries of implementation are those countries or participants from countries that will receive financial or technical support as a result of this project.

b. Organizational Capacity and Past Performance

This section of the application provides information about the applicant organization. It provides evidence that the applicant has the ability to successfully carry out the program activities of the agreement.

- Provide a description of the applicant organization – including its general purpose, goals, annual budget (including funding sources), and major past and current activities and projects undertaken.
- Discuss the applicant’s experience and expertise on women entrepreneurs, finance for small business owners, financial education, health insurance, and gender-responsive programming.

Please provide the reference in an attachment and include the following information: name and address of the organization for which the work was performed; current telephone number and email address of responsible representative from the organization for which the work was performed; contract/grant name and number (if any), annual amount received for each of the last three years and beginning and end dates; brief description of the project/assistance activity and key project accomplishments/results achieved to date.

c. Program Strategy

- Propose a clear and realistic implementation plan to significantly address the Program Goals in Section A2.
- The proposal should further outline the expected and achievable results for the project which should include suggestions in Section A3. It should also outline the relevant and appropriate Main Activities to accomplish the goals and expected results, which could include those found in Section A4. Explain the assumptions on which the success of the project depends, and the involvement of other stakeholders.
- In table format, please present a brief, one- to two-page work plan matrix (which does count as part of the 10 pages), with a timeline including target dates for activities for the life of the agreement, which reflects the overall program approach, and objectives. The following timeline below is provided as an example.

Primary Activities, Deliverables, and/or Milestones	Q1	Q2	Q3	Q4	Q5	Etc.
Project Monitoring Plan	X					
XYZ Activity	X	X	X	X		

Activity 123			X	X	X	
Etc.						

d. Gender and Inclusion Analysis

Proposals must include a gender analysis that is contextualized by each geographic area where the Applicant proposes to program; demonstrates how the proposed program accounts for the different ways in which it might impact, and be impacted by different genders; and identifies challenges and opportunities for narrowing gender inequalities. Funding priority will be given to proposals that demonstrate a strong understanding of how intersecting aspects of identity, including but not limited to race, ethnicity, color, creed, national origin, sexual orientation, gender identity, disability, age, geography, marital or relationship status, or religious, caste or tribal affiliation, combine to further marginalize certain sections of the population, and how these will be addressed to realize meaningful inclusion.

e. Performance Monitoring and Evaluation Plan

- Discuss how progress towards the expected results will be measured, as outlined by the Performance Indicators in Section A5. Identify which performance indicators will be measured and how data on these indicators will be collected, analyzed, and used for program management. Present indicators linked to specific project objectives in table format and include source of data and proposed frequency of collection. See the full list of Performance Indicators in Section A5.

f. Management Plan

- Describe the proposed management structure for this project and provide a project organizational chart in the attachments. Include in the narrative a description of the responsibilities of all principal organizations and staff involved, reporting relationships, authority and lines of communication within and between each of these organizations.
- Include job descriptions and CVs of key staff (Project Director, etc.) as attachments (do not count as part of the 10-page limit), which demonstrate that the proposed key staff are consistent with the requirements and needs of the project. The project should have a designated Project Director who will be expected to have lead responsibility for communicating with EAP. Note the location where key staff will be based.
- Recognizing that COVID-19 has limited where and when staff/participants can travel, the Recipient should also include a contingency plan should restrictions on travel and in-person activities remain through some portion of the period of performance. Contingency plans could include remote or virtual training tools. Contingency plans should also address if participants will possess the required digital literacy skills and digital access to meaningfully participate in virtual program activities. If not, how will these gaps be addressed.

Note: Applications that do not include all required documents will be marked as incomplete, and will therefore be deemed technically ineligible.

EAP retains the right to ask for additional documents not included in this NOFO. Additionally, to ensure all applications receive a balanced evaluation, the EAP Review Panel will review the first page of the requested section up to the page limit and no further. EAP encourages organizations to use the given space effectively.

D.3 Unique Entity Identifier and System for Award Management (SAM)

All organizations applying for grants must obtain these registrations. *All are free of charge:*

- Unique Entity Identifier from Dun & Bradstreet (DUNS number)
- NCAGE/CAGE code
- www.SAM.gov registration

Step 1: Apply for a DUNS number and an NCAGE number (these can be completed simultaneously)

DUNS application: Organizations must have a Data Universal Numbering System (DUNS) number from Dun & Bradstreet. If your organization does not have one already, you may obtain one by calling 1-866-705-5711 or visiting <http://fedgov.dnb.com/webform>

NCAGE application: Application page here:

<https://eportal.nspa.nato.int/AC135Public/scage/CageList.aspx>

Instructions for the NCAGE application process:

<https://eportal.nspa.nato.int/AC135Public/Docs/US%20Instructions%20for%20NSPA%20NCA%20GE.pdf>

For NCAGE help from within the U.S., call 1-888-227-2423

For NCAGE help from outside the U.S., call 1-269-961-7766

Email NCAGE@dliis.dla.mil for any problems in getting an NCAGE code.

Step 2: After receiving the NCAGE Code, proceed to register in SAM.gov by logging onto: <https://www.sam.gov>. SAM registration must be renewed annually.

Applicants must have an active registration in SAM (www.sam.gov) prior to submitting an application, must prove a valid Unique Entity Identifier (UEI) number, formerly referred to as a DUNS number, and must continue to maintain an active SAM.gov registration with current information at all times during which it has an active Federal award or an application or plan under consideration by the U.S. government. **If an organization does not have an active registration in SAM.gov prior to submitting an application, the application will be deemed ineligible.** Note: The process of obtaining a SAM.gov registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.

The Unique Entity Identifier (UEI) is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards. SAM is the Federal government's primary database for complying with FFATA reporting requirements. OMB designated SAM as the central repository to facilitate applicant and

recipient use of a single public website that consolidates data on all federal financial assistance. Under the law, it is mandatory to obtain a UEI number and register in SAM.

SAM requires all entities to renew their registration once a year in order to maintain an active registration status in SAM. It is the responsibility of the applicant to ensure it has an active registration in SAM and to also maintain its active registration in SAM.

An exemption from this requirement may be permitted on a case-by-case basis if the applicant's identity must be protected due to possible endangerment of their mission, their organization's status, their employees, or individuals being served by the applicant. Organizations requesting an exemption should email the point of contact listed in Section G of this NOFO.

Please note: foreign organizations will be required to register with the NATO Support Agency (NSPA) to receive a NATO Commercial and Government Entity (NCAGE) code in order to register in SAM. NSPA will forward your registration request to the applicable National Codification Bureau (NCB) if your organization is located in a NATO or Tier 2 Sponsored Non-NATO Nation. (As of January 2015, NATO nations included Albania, Belgium, Bulgaria, Canada, Croatia, Czech Republic, Denmark, Estonia, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Turkey, United Kingdom, and the United States of America; and Tier 2 nations included Australia, Austria, Brazil, Finland, Israel, Republic of Korea, Malaysia, Morocco, New Zealand, Serbia, and Singapore.)

NSPA and/or the appropriate NCB forwards all NCAGE code information to all Allied Committee 135 (AC/135) nations, which as of January 2015 also included Afghanistan, Argentina, Bosnia & Herzegovina, Brunei Darussalam, Chile, Colombia, Egypt, Georgia, India, Indonesia, Japan, Jordan, Montenegro, Oman, Papua New Guinea, Peru, Saudi Arabia, South Africa, Sweden, Thailand, Republic of Macedonia, Ukraine, and the United Arab Emirates.

D.4 Submission Dates and Times

Applications are due no later than 11:59 p.m. Eastern Daylight Time (EDT), on June 15, 2021.

Applicants are urged to begin the application process well before the submission deadline. No exceptions will be made for organizations that have not completed the necessary steps.

Applications received after the deadline will not be considered.

SAMS Domestic and Grants.gov automatically log the date and time an application submission is made, and the Department of State will use this information to determine whether an application has been submitted on time. Late applications are neither reviewed nor considered.

If ultimately provided with a notification of intent to make a Federal award, applicants typically have two to three weeks to provide additional information and documents requested in the

notification of intent. The deadlines may vary in each notification of intent and applicants must adhere to the stated deadline in the notification of intent.

D.5 Funding Restrictions

EAP will not consider applications that reflect any type of support for any member, affiliate, or representative of a designated terrorist organization. No entity listed on the Excluded Parties List System in SAM is eligible for any assistance.

Project activities that provide training or other assistance to foreign militaries or paramilitary groups or individuals will not be considered for EAP funding given purpose limitations on funding.

The Leahy Law prohibits Department foreign assistance funds from supporting foreign security force units if the Secretary of State has credible information that the unit has committed a gross violation of human rights. Per 22 USC §2378d(a) (2015), “No assistance shall be furnished under this chapter [FOREIGN ASSISTANCE] or the Arms Export Control Act [22 USC 2751 et seq.] to any unit of the security forces of a foreign country if the Secretary of State has credible information that such unit has committed a gross violation of human rights.” Restrictions may apply to any proposed assistance to police or other law enforcement. Among these, pursuant to section 620M of the Foreign Assistance Act of 1961, as amended (FAA), no assistance provided through this funding opportunity may be furnished to any unit of the security forces of a foreign country when there is credible information that such unit has committed a gross violation of human rights. In accordance with the requirements of section 620M of the FAA, also known as the Leahy law, project beneficiaries or participants from a foreign government’s security forces may need to be vetted by the Department before the provision of any assistance.

If a proposed grant or cooperative agreement will provide assistance to foreign security forces or personnel, compliance with the Leahy Law is required. Federal awards generally will not allow reimbursement of pre-award costs; however, the Grants Officer may approve pre-award costs on a case-by-case basis. Generally, construction costs are not allowed under EAP awards.

Various policy and legal restrictions may apply to assistance to certain countries. For example, the use of FY 2020 ESF for assistance to the government of Cambodia, including to Cambodian government officials, is restricted. Certain assistance to the government of Cambodia for democracy programs may be permitted. In addition, all activities for Burma are subject to additional review and require prior written approval by EAP.

D.6 Other Submission Requirements

All application submissions must be made electronically via SAMS Domestic (<https://mygrants.servicenowservices.com>). This system requires registration by the applying organization.

It is the responsibility of the applicant to ensure that it has an active registration in SAMS Domestic and that an application has been received by SAMS Domestic in its entirety. EAP bears no responsibility for disqualification that result from applicants not being registered before the due date or for data errors resulting from transmission or conversion processes. Additionally, you must save a screen shot of the checklist showing all documents submitted in case any document fails to upload successfully.

Faxed, couriered, or emailed documents **will not** be accepted. Reasonable accommodations may, in appropriate circumstances, be provided to applicants with disabilities or for security reasons.

Applicants must follow all formatting instructions in the applicable solicitation and these instructions.

SAMS Domestic Applications:

Applicants using SAMS Domestic for the first time should complete their “New Organization Registration.” To register with SAMS Domestic, go to <https://mygrants.servicenowservices.com> follow the “create an account” link. Users will then complete the form with the requested information and click “submit.” A confirmation email will be sent once the account has been created. If users are experiencing difficulties obtaining a user login and completing the registration process, please contact ILMS Support.

ILMS Support (SAMS Domestic Help Desk):

For assistance with SAMS Domestic accounts and technical issues related to the system, please contact the ILMS Support by phone at 1-888-313-4567 (toll charges for international callers) or through the Self Service online portal that can be accessed from <https://afsism.servicenow.com/ilms/home>. Applicants should document their efforts in contacting the helpdesk.

E. APPLICATION REVIEW INFORMATION

E.1 Criteria

Each application will be evaluated and scored on the six-part Proposal Components and the two-part Budget Components using a 100-point scale. Each application will be evaluated individually against the criteria below and not against competing applications.

Proposal Narrative: The Review Panel will score each of the six sections of the Proposal Narrative based on how completely they address the bulleted points described in the Proposal Narrative Guidance in Section D2. The Panel will assign up to 80 points for the proposal narrative. The importance of each section is indicated by the maximum score as follows:

- Executive Summary – 8 points
- Organization Capacity and Past Performance – 18 points
- Program Strategy – 25 points
- Gender and Inclusion Analysis – 8 points
- Performance Monitoring and Evaluation – 13 points
- Management Plan – 8 points

Budget: The Review Panel will also review the budget components in order to assign up to 20 points for the overall program budget and cost-effectiveness. Proposals should keep estimated overhead and administrative costs as low as possible and have proposed expenditures that are reasonable, allowable, and allocable to the proposed project activities and reflect the applicant’s understanding of the allowable cost principles established by Office of Management and Budget (OMB) in 2 CFR 200. Applicants should provide clear explanations and justifications for costs in relation to the work involved. All budget items should be clearly explained and justified to demonstrate its necessity, appropriateness, and its link to the project objectives. Amount of funding contributed by the applicant, sub-awardees, and other partners – while not required – shows a commitment to the success of the project.

- Budget Appropriateness – 10 points
- Cost-effectiveness – 10 points

E.2 Review and Selection Process

EAP strives to ensure each application receives a balanced evaluation by an EAP Review Panel. All technically eligible applications for a given notice of funding opportunity are reviewed against the same criteria, listed above. Additionally, the EAP Review Panel will evaluate how the application addresses the NOFO request, U.S. foreign policy goals, and the priority needs of EAP overall.

The EAP Review Panel generally includes representatives from EAP, as well as other representatives from the Department of State, and may include additional panelists from U.S. embassies, other U.S. government departments or agencies. All Panelists must sign non-disclosure agreements and conflicts of interest agreements.

EAP Review Panels may provide conditions and recommendations on applications to enhance the proposed project, which must be addressed by the applicant before further consideration of the award. To ensure effective use of EAP funds, conditions or recommendations may include requests to increase, decrease, clarify, and/or justify costs and project activities.

E.3 Federal Awardee Performance & Integrity Information System

The Department of State, prior to making a Federal award with a total amount of Federal share greater than the simplified acquisition threshold, is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (see 41 U.S.C. 2313).

The applicant, at its option, may review information in the designated integrity and performance systems accessible through SAM and comment on any information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through SAM.

The Department of State will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants as described in §200.205 Federal awarding agency review of risk posed by applicants.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

F.1 Federal Award Notices

EAP will provide a separate notification to applicants on the result of their applications. Successful applicants will be notified by EAP via email. This notification is not an authorization to begin activities and does not constitute formal approval or a funding commitment.

Additional information that successful applicants may be asked to submit after notification of intent to make a Federal award, but prior to issuance of a Federal award, may include:

- Written responses and any revised application documents addressing any conditions or recommendations from the Review Panel;
- Completion of the Department's Financial Management Survey, if receiving EAP funding for the first time or requested by the Grants Officer;
- Submission of required documents to register in the Payment Management System managed by the Department of Health and Human Services if receiving EAP funding for the first time, unless an exemption is provided;
- Other requested information or documents included in the notification of intent to make a Federal award or subsequent communications prior to issuance of a Federal award.

Final approval is contingent on the applicant successfully responding to the panel's conditions and recommendations, being registered in required systems, including the U.S. government's Payment Management System (PMS), unless an exemption is provided, and completing and providing any additional documentation requested by the Department of State. Final approval is also contingent on Congressional Notification requirements being met and final review and approval by the Department's warranted Grants Officer.

The grant award or cooperative agreement will be written, signed, awarded, and administered by the warranted Grants Officer. The signed assistance award agreement is the sole authorizing document and it will be provided electronically to the recipient's authorized signatory for review and signature through SAMS Domestic. The recipient may only start incurring program expenses beginning on the start date show on the award document signed by the Grants Officer.

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is as the discretion of the Department of State.

F.3 Reporting

Recipients will be required to complete and upload regular financial reports and program progress reports to the grant file in SAMS Domestic. The award document will specify how often these reports must be submitted. EAP typically requests that reports are submitted on a quarterly basis. Please note that all substantiating documentation supporting reporting and data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Department of State upon request. All reports must be written in English

- 1. Financial Reports:** The recipient will be required to submit quarterly financial reports through the project period. The Federal Financial Report (FFR SF-425) is the required form for the financial reports. If payment is made through the Payment Management System, all financial reports must be submitted electronically through the Payment Management System. The grantee is also required to upload to SAMS Domestic a pdf version of all financial reports (Federal Financial report) they have submitted in the Payment Management System. Form FFR (SF-425) can be found here:

<https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortby=1>

Financial reports are due 30 calendar days after the end of each reporting period.

Foreign Assistance Data Review: As required by Congress, the Department of State must make progress in its efforts to improve tracking and reporting of foreign assistance data through the Foreign Assistance Data Review (FADR). The FADR requires tracking of foreign assistance activity data from budgeting, planning, and allocation through obligation and disbursement. Successful applicants will be required to report and draw down federal funding based on the appropriate FADR Data Elements, indicated within their award documentation. In cases of more than one FADR Data Element, typically program or sector and/or regions or country, the successful applicant will be required to maintain separate accounting records.

2. Progress Reports: The recipient will be required to submit quarterly narrative progress reports in SAMS Domestic. Progress reports are due 30 days after the end of the reporting period. Where relevant, progress reports should include the following information:

- Significant activities of the period and how activities reflect progress toward achieving goals;
- Evaluation of progress on goals/objectives with quantitative and qualitative data, as appropriate;
- Any problems/challenges in implementing the project and a corrective action plan;
- Evaluation of accomplishments with quantifiable information on goals and objectives to date as available, including reporting on agreed-upon indicators;
- An update on expenditures during the reporting period; and
- Supporting documentation or products related to project activities (such as surveys, travel, etc.).
- Performance indicator results and supporting documentation
- Project Spotlight highlighting a significant area of progress under the agreement as well as photos of implementation

Quarterly progress reports should also reflect the awardee's continued focus on measuring the project's impact on the overarching goals or problems the project set out to address. An assessment of the overall project impact, as appropriate, should be included in each quarterly project report.

3. Final Report: A final narrative report and financial report will be required within 120 days after the completion of the award. The final narrative should include an in-depth impact assessment and/or project evaluation. More guidance may be provided prior to the award end date.

Please note: delays in reporting may result in delays of payment approvals and failure to provide required reports may jeopardize the recipients' ability to receive future U.S. government funds.

EAP reserves the right to request any additional programmatic and/or financial project information during the award period of performance.
